### *Entrainment of wheelchairs in trains of the Deutsche Bahn:*

*It is possible to book a special wheelchair space on nearly every long distance train (e. g. ICE, IC or EC). This includes the reservation of a normal train seat. It is also possible to book another seat next to or opposite the wheelchair space for an accompanying person. On most trains you can find a toilet with wider entrance. Newer short distance trains are equipped with a platform for wheelchairs to board the train. There are no extra costs for orthopaedic aids. There may be different regulations in certain operating areas.*
